G6/D F#7/C#

Deep inside our mind

we might never find

who we really are

Bm Bmmaj7

and what we want's too far

Em7 F#7/C#

away and locked inside

Bm D Em F#7/C# Fmaj7/C Em

deep inside our mind

G6/D F#7/C#

Deep inside our heart

Bm D

we might never part

Em F#7/C#

with what is lost and gone

and we might still hold on

Em7 F#7/C#

to what should have been drowned

Bm D Em F#7/C# Fmaj7/C Em

never ever to be found

Chorus:

Em **G**
All colours of the sea

A **Cmaj7**

bury deep inside

they might never surface

A **C**
we'll never know or always miss

- the colours of our mind

Em **F#7/C#**
Deep inside of us

Bm **D**
there's always doubt and trust

Em **F#7/C#**
There's low and high tide,

Bm **Bmmaj7**
busy days and lonely nights

But we all have this secret door

that hides what we are looking for

All colours of the sea

A **Cmaj7**
