Intro: **Em7 Bm7 Em7 Bm7 Em7 Bm7 Dm7 Am7 (2x)**

**Em7 Bm7 Em7 Bm7**  
I'm flying high above the ground  
**Em7 Bm7 Dm7 Am7**  
But some dark force likes to shoot me down  
**Em7 Bm7 Em7 Bm7**  
A stroke of luck is all I need  
**Em7 Bm7 Dm7 Am7**  
But I'm always losing speed

**Em7 Bm7 Em7 Bm7**  
I'm going right, I'm going left  
**Em7 Bm7 Dm7 Am7**  
One step forward, two steps back  
**Em7 Bm7 Em7 Bm7**  
I see the light and see the dark  
**Em7 Bm7 F#sus4 F#7**  
I love to love and tear it apart

Chorus

**Dmaj7** **Em7**  
I'm going up and down  
**Dmaj7** **Em7**  
My feet no longer on the ground  
**Dmaj7** **Em7**  
I'm spinning round and round  
**G** **A7**  
I know all kinds of slowly  
**Bm7** **Em7**  
falling down  
**Bm7** **Em7**  
falling down  
**Bm7** **Em7** **Bm7** **Dm7** **Am7**  
falling down

I like to walk on ice with cracks  
and do still wonder why I crash.  
I drink too much and talk too fast  
and surely regret stuff in the past

I wanna help and make it right  
but in the end it doesn't seem so bright  
There might be something wrong with me  
The question is: to be or just to be

Chorus

I'm going up and down  
My feet no longer on the ground  
I'm spinning round and round  
I know all kinds of slowly  
  
falling down

Bridge

**C7** **Em7**  
But when the sun comes out we smile  
**C7** **Em7**  
and know that life is one of a kind  
**C7** **Em7**  
Cause even if we stumble and fall  
**G** **A7** **F#sus4** **F#7**  
we know it doesn't matter at all

Chorus

I'm going up and down  
My feet no longer on the ground  
I'm spinning round and round  
I know all kinds of slowly  
  
falling down
