Footprints

A **Em**
I'm sleeping in a bed of feathers
D **A**
I'm flying without wings

Em **D**
Hoping for a miracle
 G **D**
the universe might bring
 A **Em**
I'm sleeping on a cloud
 D **A**
as soft as it can be
 Em **D**
when suddenly a dove
 G **D** **A**
brings this peaceful message to me

Chorus:

Bm **D**
It's all about our love
 A **Em**
we give and we receive
 Bm **D** **A**
It's all about eternity
 Cmaj7 **Bm**
and the footprints that we leave

A **Em**
Let's jump from cloud to cloud
 D **A**
Let's dance here for a while
 Em **D**
Let's send a message home
 G **D**
that this is not good bye
 A **Em**
I'll always be around
 D **A**
And there'll be many signs
 Em **D**
I'll be your lost and found
 G **D** **A**
and you and I will be fine

Chorus:

Bm **D**
It's all about our love
 A **Em**
we give and we receive
 Bm **D** **A**
It's all about eternity
 Cmaj7 **Bm**
and the footprints that we leave
